Additional Comments:

To the best of my knowledge, the questions on this form have been accurately answered. I understand that providing incorrect information can be dangerous to my (or the patients) health. It is my responsibility to inform the dental office of any changes in my medical status. I authorize the dentist to release any information including the diagnosis & the records of any treatment or examination rendered to my child or myself during the period of dental care to third party payers and/pr health practitioners.

Important dental insurance and financial information for our patients

We know understanding your dental insurance coverage can be quite challenging. Our goal is to assist you in maximizing your benefits. We care for patients with many different insurance companies. Each employer pays an insurance premium for specific coverage, which fits into the company budget. Each plan is slightly different in its covered services. We encourage you to become familiar with your policy exclusions, deductibles, maximum, anniversary date, and required co-payments. There are thousands of dental plans & we are not responsible for knowing the details of your particular plan.

To help achieve this goal, we need your assistance and your understanding of our payment policy:

- Payment for services is due at the time services are rendered, unless our staff has approved payment arrangements in advance.
- We accept cash, personal checks, MasterCard, Visa, American Express, & Discover.
- We also offer Care Credit financing.
- Returned checks and balances over 30 days old are subject to Finance Charges
- Charges (of \$50) may also be made for broken appointments canceled without 24 hours advance notice.
- A 3% processing fee will be added to all debit/credit card transactions.

Please realize about your Dental Insurance:

- Your insurance is a contract between you, your employer, and the insurance company. We are not a party in the contract.
- Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.
- Our fees are generally considered to fall with the UCR range. "UCR" is defined as usual, customary and reasonable charges. All restrictions are based on your employers' plan & the premium paid for the insurance---not on our fees or recommended treatment.

Thank you for your cooperation with your dental insurance coverage. Please sign below & have your insurance card ready for us to copy for our file.

Insurance:

I authorize release of any information concerning my (or my child's) health care and treatment provided for the purpose of evaluating and administering claims for insurance benefits.

I authorize payment of insurance benefits directly to this office (Adlong Dental) otherwise payable to me. I am aware no insurance company attempts to cover all dental costs and the agreement of the insurance company to pay for my dental care is a contract between me and the insurance company.

I understand the staff at this office (Adlong Dental) will file my insurance for me and my benefits are only **ESTIMATED**. If my dental insurance company does not respond to the submitted claim within 60 days, I understand I may be responsible for the balance in full (all estimated insurance payments as well as my estimated amount due).

Fees & Payments:

I agree to be responsible for this account. All balances are due in full unless other payment arrangements have been made. If I am unable to pay my account, I will inform the business office before treatment and will make definite payment arrangements. All accounts 31 days old will be billed a finance charge in accordance with Arkansas law. Any accounts without payment made with in 60 days will be considered for collection by an outside collection agency. Should this office refer my account to the outside collection agency, I agree to pay a collection fee and any unpaid balance.
